LIST OF SERVICES PROVIDED BY BUSINESSSOURCE CENTERS

GENERAL BUSINESS SERVICES	
SERVICE	DEFINITION
Business Needs Assessment	Assessment to identify services and interventions appropriate for the stage and needs of that specific business. Services will be tailored to the needs of the business to achieve optimum outcomes.
SWOT Analysis	Teach the strategic planning method structured on four elements of concern - strengths, weaknesses, opportunities, and threats.
Business Plan/Executive Summary	Assistance in preparing or updating a business plan that identifies and analyzes economic, technical, and financial feasibility.
Business Planning	Discuss the legal and tax benefits as well as drawbacks to different legal structures. Assist start- ups with basics such as market identification, market entry, breakeven budget, and market pricing data.
Business Compliance Requirements	Assistance with compliance with business regulatory requirements. Provide technical assistance to comply with new regulations necessary for the continuation of the business.
Marketing/Social Media	Support with building business brand and providing social media tools to market and promote the business. Introduction to social media platforms customers use every day like Facebook and Instagram and selling products on online marketplaces like Amazon, Facebook and Instagram Market and eBay.
Market assessment	Assist with creating a comprehensive analysis of environment forces, market trends, entry barriers, competition, risks, opportunities and the company's resources and constraints using tools such as Census Business Builder.
Marketing Plan Development	Help develop a well-crafted, strategic marketing plan by setting marketing goals, conduct a marketing audit, conduct market research, analyze the research, identify a target audience, determine a budget, develop specific marketing strategies, develop an implementation schedule for the strategies, and create an evaluation process.
Permits/Licenses	Assistance to ensure that proper local, state, and federal business registration processes, permits, licenses, Fictitious Business Name, and certifications are obtained to operate a business legally in the City.
Mentorship/Collab Set-up	Help build collaborations between clients. One approach is for seasoned clients to mentor other clients whenever possible.
Business Tax Preparation Support	Help business owners prepare for their federal, state, and local taxes such as gathering all the required documentation and reviewing.
Tax Consulting	Help business owners understand their federal, state, and local tax requirements. Identify tax incentives and rebates for the client's business
Disaster Resiliency	Building the capacity of businesses — both to prepare for and recover from emergency, events, and build long-term financial security. Including earthquake and fire preparedness plans, appropriate and adequate insurance, etc.
Legal considerations	Share information on free legal workshops and pro bono clinics.
Lease negotiation assistance	Assistance with Commercial Office and Retail Lease Negotiation, Commercial Lease Counseling, or other lease related services.
Site-finding assistance	Help start-ups or home businesses find a location or assist existing businesses look for new locations to expand or move including developing a cost analysis based on the targeted leases and determine the best opportunity.
Certification	Go over the benefits of certification and which certificates the client qualifies for. Assist with gathering all the required documents and help with the various.
Procurement	Provide training on the procurement process for contractual opportunities with the City and other government entities including navigation and enrollment on the Los Angeles Business Virtual Network (LABAVN) system.
Franchise Development Planning	Help develop a franchise strategy and business plan, guide the client with any necessary market research, competitive benchmarking, gap analysis or financial modeling.
Succession Planning	Assist with an evaluation of the business, identification of key positions in the organization and potential successors as well as any necessary training and support planning. In addition, help the client plan and develop talent pipelines for the future.
	FINANCIAL SERVICES
SERVICE	DEFINITION
Financial Analysis	Assist Clients with an assessment of the viability, stability, and profitability of a business to ensure increased profitability.
Projections Preparation	Forecast future revenue and expenses to help clients pitch to potential investors or for other funding opportunities.

BSC LIST OF BUSINESS SERVICES

Credit Report Review	Provide training on how to read personal and business credit reports. Review payment history with the client to investigate low scores.	
Business	Analyze the client's business accounting procedures and financial condition for areas of	
Accounting/Budgeting	improvement. Suggest optimal bookkeeping procedures and standards that ensure proper	
	financial management and legal compliance for the client's business.	
	ACCESS TO CAPITAL	
SERVICE	DEFINITION	
Loan Prep Assistance	Provide free loan packaging services including reviewing the project feasibility to obtain funding to start, expand, or purchase a business. Discussing potential local/state/federal programs available to fund the business including eligibility requirements. Preparing loan applications tailored to meet specific program requirements from the information provided by the client. Connecting the client to Lenders and help answer questions about the process.	
Cash Flow Management	Track and analyze a business's cash flow to determine the liquidity and solvency of the business: cash flow from operating activities, cash flow from investing activities and cash flow from financing activities. Providers should also have the skills to conduct liquidity and profitability ratio analysis, assess the impact that changes in costs have on financial statements, and understand how these relate to a company's financial targets.	
	TECHNOLOGY	
SERVICE	DEFINITION	
Cybersecurity	Show common practice prevention methods against Cyber Security threats such as hacking, malware, and phishing.	
Website Optimization	Use tools and software like Google Analytics, advanced strategies, and experiments to improve the performance of clients' websites, to further drive more traffic, increase conversions, and grow revenue. One of the most critical aspects of website optimization is search engine optimization (SEO) to improve the quality and quantity of website traffic to their website from search engines.	
Website Development and Management	Work with partners for website development and creation for businesses without an online presence. Conduct e-commerce audits of existing websites to identify opportunities for improvement. Improve business websites by connecting small businesses to create and design services including photographers, web designers, among others.	
SIDEWALK VENDING		
SERVICE	DEFINITION	
Sidewalk Vending services	Assist Sidewalk Vendors through the vending permitting process, including but not limited to Business registration through the City's Office of Finance, obtaining applicable County of Los Angeles Department of Public Health permit, including coordination of food cart plan check services, and cart inspections, and obtaining California Seller's Permit from the State Tax and Fee Administration. Provide services and training including but not limited to access to capital, including referrals to the City's Microloan Program, to purchase adequate equipment, such as stationary or mobile food carts, small business development, planning and management, marketing, banking / Financial literacy, procurement of proper liability insurance, taxes, cash management, electronic payment acceptance, and other business services, including business planning, access/referral to legal services, and expungement services.

	MONEY MANAGEMENT IINTERNATIONAL (MMI)
SERVICE	DEFINITION
Credit Counseling	Also known as debt and budget counseling, credit counseling is MMI's core service
Credit Couriseinig	offering. Credit counseling is ideal for any consumer struggling with credit card debt,
	insufficient income, or overspending. Credit counseling is always free and is available 24
	hours a day, seven days a week.
Debt Management Plan (Monthly	A debt management plan (or DMP) is a structured repayment plan ideal for consumers
Fee)	with more credit card debt than they can comfortably handle. We work with your creditors
,	to seek reduced monthly payments and interest rates. Debts are paid in full, usually within
	less than five years. NOTE, DMPs include an initial set-up fee, as well as a monthly
	fee, the amount of which is based on the size of your debt payments. However, you
	may be eligible for reduced or waived fees.
Credit Report Review	Your credit is something you should never leave up to chance. If you have questions or
	concerns about your credit report or credit score, we have answers. Our trained experts
	can help you understand what's on your credit report and what you can do to improve your
	credit health.
Homebuyer/Foreclosure/Reverse	To make sure you start off on the right foot, we offer homebuyer counseling to any
Mortgage Counseling	consumer at any stage of their home buying journey. We'll teach you everything you need
	to know about buying, maintaining, and successfully staying in your dream home. For
	consumers facing foreclosure or simply concerned about their ability to continue making
	their current mortgage payments, we offer one on one foreclosure counseling. Consumers
	discover what options are available and are connected with their lenders to begin the
	process of rehabilitation if needed. A Home Equity Conversion Mortgage, otherwise known
	as a HECM or reverse mortgage, turns your home's equity into income. This can be a
	blessing for a retiree with limited funds, but there are risks involved. Our reverse mortgage
	counseling will educate you on all the pros and cons of this product.
Student Loan Counseling	Student loan counseling is an incredibly helpful tool for student loan borrowers who have
	run out of deferment options, fallen behind on their payments, or simply want to know their
	options.
Bankruptcy Counseling and	If you are considering bankruptcy or have already begun the process, MMI offers the pre-
Education	bankruptcy counseling and pre-discharge education services required to complete your
	filing.
