LOS ANGELES, CA 90017

JAN PERRY
GENERAL MANAGER

ERIC GARCETTI
MAYOR

DATE: December 21, 2018

TO: Currently Contracted City of Los Angeles WorkSource Centers
America's Job Centers of California

FROM: Gerardo Ruvalcaba, Director
Workforce Development System 

**SUBJECT: WDS DIRECTIVE № 19-13
REQUEST FOR INTEREST (RFI) TO PROVIDE TEMPORARY
EMPLOYMENT IN CLEAN-UP AND RESTORATION EFFORTS
AFTER THE 2018 CALIFORNIA MEGAFIRES**

EFFECTIVE DATE

This bulletin is effective upon date of issuance.

PURPOSE

The purpose of this bulletin is to solicit information from *currently contracted* City of Los Angeles (City) WorkSource Centers (WSC) on receiving funds, providing workforce development career services and placing dislocated workers into temporary jobs.

BACKGROUND

In order to mitigate the extensive losses incurred by California businesses and communities from the megafires of 2018, the State of California Employment Development Department (EDD) has announced the "2018 California Megafires National Dislocated Worker Grant" (NDWG).

The EDD has awarded \$3,485,404 in such NDWG funding to provide eligible dislocated workers with career and training services where needed, and temporary jobs assisting with clean-up, recovery, and humanitarian efforts in areas of the counties of Los Angeles and Ventura impacted by the 2018 megafire disasters.

One of the disasters, The Woolsey Fire, was a destructive wildfire that burned in Los Angeles and Ventura counties. The fire began November 8, 2018 and burned over 98,362 acres, destroying 1,643 structures, killing three people, and prompting the evacuation of more than 295,000 people.

For this project, the Economic and Workforce Development Department (EWDD) will work with currently contracted City of Los Angeles WSCs that qualify under this RFI to create temporary employment opportunities for dislocated worker participants, who will go through

areas affected by the fires, identify any hazardous materials found there, and safely remove and process such materials. Participants will receive safety and mitigation training prior to working on a job site. Participants will also receive workforce development career services. Named megafire worksites and impacted communities include, but are not limited to, the following affected by the Woolsey Fire: Simi Valley, Malibu, Point Dume, and other communities in the Santa Susana Mountains, the Santa Monica Mountains, the Malibu coast west to Solromar, and other neighborhoods along the Ventura Freeway.

AVAILABLE FUNDING

The total amount of funding for this project is \$3,136,864 in NDWG funds, which will be divided among the selected WSCs.

Amount of funding available for Temporary Jobs is \$2,700,000.

Amount of funding available for Workforce Development Career Services is \$436,864.

This project will provide workforce development career services to two-hundred (200) dislocated workers at a per participant cost of \$2,184; of which one-hundred (150) will also be enrolled in temporary employment, at a per participant cost of approximately \$18,000, based on services provided.

ELIGIBLE PARTICIPANTS, NUMBER OF CLIENTS TO BE SERVED, PER PARTICIPANT COST, PRIORITY OF SERVICE

Participant eligibility is defined in WIOA Section 170(d)(2). Eligible participants are individuals who reside within the declared disaster area, or who were forced to relocate due to the disaster or emergency event, and

- Who are temporarily or permanently laid off as a consequence of the disaster; or
- Who comprise 'other' eligible dislocated workers as defined in WIOA Section 3(15); or
- Who are long-term unemployed workers, as defined by the state; or
- Who are self-employed individuals who become unemployed or significantly underemployed as a result of the disaster or emergency.

Participating WSCs shall ensure that priority of service is accorded veterans, eligible spouses, and individuals with disabilities.

TERM OF CONTRACTS

Contracts resulting from this RFI are expected to last two years: February 1, 2019 – December 31, 2020.

SERVICES TO BE PROVIDED

Because this project is NDWG-funded, participants must be provided with supportive services, training and placed into *transitional employment*, or *temporary jobs* for a total of 1,050 hours at a wage of \$15.00 per hour.

Selected WSCs will recruit and enroll participants, and ensure that such participants receive safety and mitigation training before being sent out on jobs in disaster clean-up and mitigation.

Disaster DWG projects providing Disaster Relief Employment, or temporary jobs, are

restricted to the following activities:

- Clean-up and recovery efforts, including demolition, repair, renovation and reconstruction of damaged and destroyed structures, facilities, and lands located within the disaster area and in off-shore areas related to the disaster or emergency.
- The distribution of food, clothing, and other humanitarian assistance¹ for disaster victims.
- Workforce Development Career Services will also be provided to participants.

Disaster DWG projects provide Career and Training services for those grant participants already enrolled in the temporary jobs component of a Disaster DWG project who are unlikely to return to their prior employment

REQUIREMENTS – STATUTORY, OPERATING, AND REPORTING

In providing services pursuant to this NDWG, the selected WSCs will be expected to comply with: a) WIOA rules, regulations and policies, as released from time to time; b) the rules and regulations of the NDWG, as released from time to time; c) applicable federal and state statutes, rules, regulations and policies; and d) local rules and policies. In addition, the selected WSCs will be expected to comply with training and employment guidance letters (TEGLs), as issued from time to time by the EDD, and especially with TEGL 2-15.

The selected WSCs will be expected to utilize CalJOBSSM.

As with the majority of WIOA/NDWG programs, participating WSCs will be encouraged to work in concert with the Workforce Development System, other WDBs, other service providers, non-governmental agencies, chambers of commerce, faith-based organizations, employer associations, employers, and training providers.

Participant Wages. Participants in a Disaster DWG temporary jobs project must be paid the higher of the Federal, state, or local minimum wage, or the comparable rates of pay for other individuals employed in similar occupations by the same employer per WIOA Section 181(a)(1)(A) and TEGL 2-15.

Worksite Selection. The geographic areas where the worksites are located must be located in the geographic area covered by a FEMA declaration eligible for public assistance or within the area subject to another Federal agency's declaration of an emergency or disaster situation of national significance (ref: TEGL 2-15).

Performance and Reporting Requirements

PROPOSAL REQUIREMENTS

Currently contracted WSCs interested in delivering the above-described services should complete and submit **an original and two copies** of the following no later than 5:00 p.m. on January 11, 2019.

¹ Humanitarian assistance includes actions designed to save lives, alleviate suffering, and maintain human dignity in the aftermath of emergencies. [TEGL 2-15]

- A. **Request for Interest Response Form** (attached hereto as Attachment 1).
- B. **Cover Letter**, dated, and bearing the “wet” signature of an authorized signatory, and including the signatory’s full address, telephone number and email address.
- C. **Project Design Narrative, not to exceed three (3) pages**, to include the following:
1. A detailed project design, to include the following:
 - a) A description of outreach efforts to project participants/dislocated workers impacted by the California Megafires of 2018.
 - b) A description of the program elements, including training and work experience, for serving the target population.
 2. The number of NDWG enrollments per month that Proposer will be able to serve, and the total number of participants that Proposer will serve for the project.
 3. Description of your agency’s capacity to manage payroll for participants enrolled in temporary jobs.
 4. A listing and description of leveraged resources that will be deployed for this project.
 5. A list of participating partners, collaborators, and/or subcontractors that will cooperate in providing services to project participants, and a description of such services. Your response should include a letter of intent from partners described herein.
 6. A list of training providers, including training that will be provided, and a description of such training.
 7. Proposed Performance Table, see below:

	Number of Participants Enrolled in Workforce Development Career Services	Number of Participants Enrolled in Temporary Jobs

- D. **Program Budget** (budget documents are attached hereto as Attachment 2)
1. Proposers are cautioned to fill out all the several pages of the budget.
- E. **Proposer’s Previous Experience/Cooperation, if any, with an NDWG-Funded Program or National Emergency Grant (NEG)-Funded Program, not to exceed two (2) pages**, to include the following:

1. A description of the NDWG-funded or NEG-funded program in which Proposer participated, and the year(s) during which Proposer participated in it.
2. A description of specific participant outreach strategies deployed by Proposer.
3. A list of partners or collaborators for the program (as, for example, other WSCs, employer associations, chambers of commerce, etc.) and a description of the services they provided.
4. A list of training providers for the program, and a description of the training they provided.
5. The total number of participants trained and placed into permanent or temporary jobs, and their job titles.
6. A list and description of any industry councils and/or other regional collaborations in which Proposer has participated in the past three years.

SUBMISSION REQUIREMENTS

Timely submission of the proposal is the sole responsibility of each proposer. The City reserves a right to determine the timeliness of all submissions; and may reject any submissions delivered after the stated deadline. Response forms and proposals will be time-stamped upon submission to the Economic and Workforce Development Department.

Submission Deadline Date: January 11, 2019

Deadline Time: 5:00 p.m.

Delivery Method: By hand delivery, no exceptions

Delivery Address: Economic and Workforce Development Department
1200 West 7th Street, 6th Floor
Los Angeles, CA 90017
Attention: Paul Nakama, Contracts Section

Proposals submitted **after** 5:00 p.m. on January 11, 2019 may not be accepted.

EVALUATION OF PROPOSALS

Proposals will be evaluated based on the narratives submitted. Proposers will be evaluated on their previous experience and success with projects funded by NEG or NDWG grants, with their understanding of the City's project design, and their ability to plan, manage and implement the proposed project model.

FUNDING RECOMMENDATIONS

Funding recommendations are subject to approval by the City of Los Angeles Workforce Development Board and/or the Los Angeles City Council. Funding amounts are set at the discretion of the City; each agency's past performance will be considered in making funding recommendations. The City reserves the right to fund one or more WSCs or none.

PROPOSAL APPEAL PROCESS

The City will notify all proposers in writing of the results of the proposal evaluations, of proposers' right to file an appeal, and of the appeal process itself. Proposers may appeal procedural issues only.

EWDD CONTACT

Questions regarding this directive must be e-mailed to EWDD.planning@lacity.org by **12:00 p.m. (Noon) on Monday, January 7, 2019**. Answers will be posted at www.ewddlacity.com
