**SUBJECT: WDS DIRECTIVE NO. 19-23  
REVISED CONTRACT PERFORMANCE REQUIREMENTS**

## EFFECTIVE DATE

This directive is effective upon issuance.

## PURPOSE

This directive modifies WorkSource and YouthSource contractors' WIOA indicators of performance goals to align with the City's final performance levels with the State.

## BACKGROUND

In absence of state-issued local area WIOA indicators of performance goals for PY 2018-19, initial contractor goals were based on PY 2017-18 levels. As stated in the Workforce Investment Act Job Training Agreement, Attachment I, §12.A, "When the City receives additional guidance from the State...goals may be modified and or changed to align with the City's negotiated levels of performance with the State."

On June 3, 2019, the State of California Economic Development Department (EDD) issued notification that the Workforce Services Directive WSD 18-13, *State Level Performance Goals and Local Area Negotiations for PY 18 and PY 19*, dated May 13, 2019, was revised to include the local area negotiated levels of performance for Program Years (PY) 2018-19 and 2019-20.

## AMENDMENTS TO PERFORMANCE LEVELS

All contractors' goals will be modified to match the City's final 2018-19 performance levels as shown on the following table. All modifications to contractor goals will be incorporated into contracts in any upcoming amendments.
